

The Council's  
Quality Growth Institute

# CREATING THE SUSTAINABLE WORKPLACE

Thursday, February 25th, 2010  
7:30 AM Breakfast & Registration;  
8:00 AM-9:30 AM, Course  
Members: \$25  
Nonmembers: \$35

191 Peachtree St. NE, 41th Floor  
Atlanta, GA 30303

*Today's corporations and organizations understand the business imperatives critical to the bottom line and operating in ways that earns the respect of their employees, consumers and clients. In doing so, the guiding principles of environmental sustainability have found their way well into the design and construction industry, but most importantly into the workforce and the ongoing operations of buildings.*

Seminar Provided By

Register online at
