ADDRESSING FUNDING CHALLENGES IN UNCERTAIN TIMES

Sponsorships & Tickets Available at www.CouncilforQualityGrowth.org

Our infrastructure needs are obvious and abundant. There are plenty of big ideas to meet those needs and far less funding to make them a reality. This year, The INTERSECTION will look at our region's greatest challenge and most critical concern---FUNDING. Specifically, funding much-needed local infrastructure projects that will strengthen our communities and prepare us for the continued growth and development of our region.
